PAGE: 1 of 1

DATE: 9-19-05

REVISION: 04

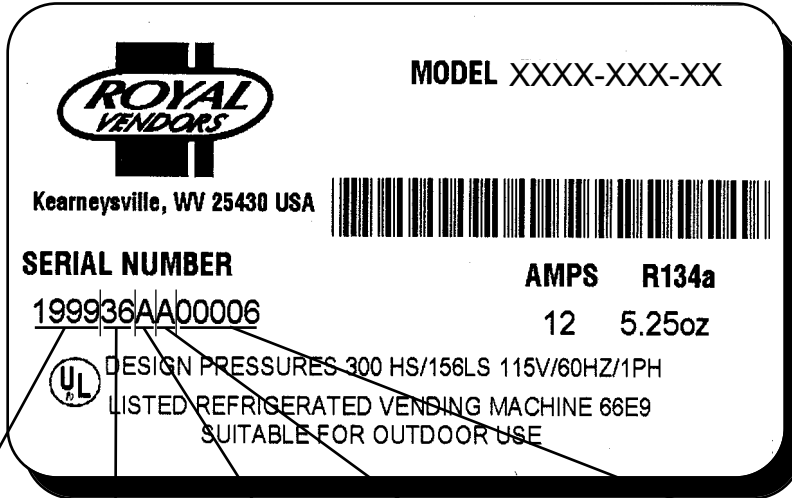

SUBJECT: Revised Serial Number

MODELS: All Venders

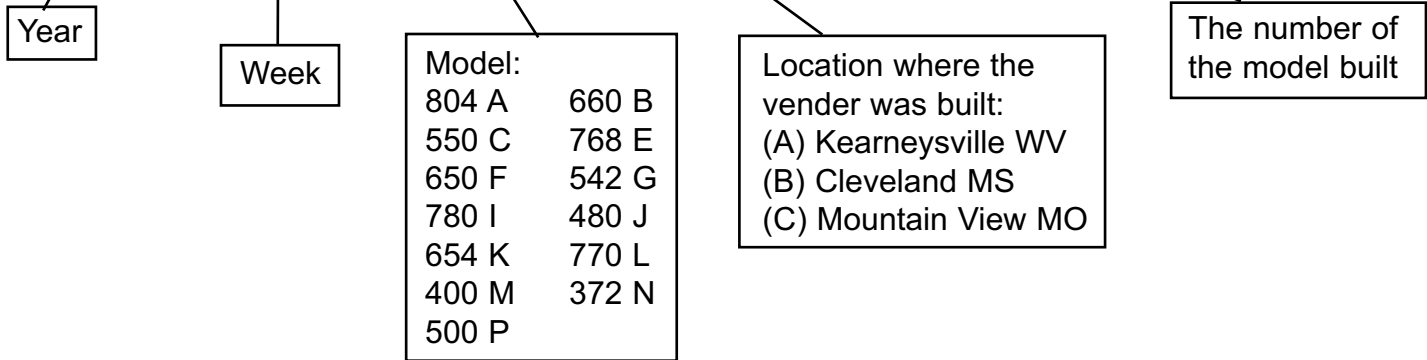

INFORMATION: Royal Vendors issued a revised serial numbering system effective October 1st, 1999.

How to read the new serial number:

- The first four numbers represent the year that the vender was produced.
- The 5th and 6th numbers represent the week within the year that the vender was produced.
- The first letter represents the model of vender.
- The second letter represents which location the vender was built.
- The last five numbers represent the number of the model built.

NOTE: The vender serial plate is located on the left side of the vender's main door.
