Top-Hinge Security Plate Kit

Reason for Bulletin: Prevent vandals from breaking into the vender through the top hinge.

Instructions:

1. Remove power from vender by unplugging vender's main power cord from the AC voltage power source (wall outlet).
2. Remove fluorescent bulb closest to the top hinge.
3. Remove water diverter from the top hinge area (applies only to GIII Marketing Venders). See figure 2
4. Remove 3/8 top-hinge nut.
5. Position both top-hinge security plates over the top-hinge bushing, and the washer onto the top-hinge bolt. See Figure 1
6. Secure with 3/8 top-hinge nut.
7. Reapply the water diverter (applies only to GIII Marketing Venders).
8. Reinstall fluorescent bulb.
