Get More with the new RVV 700

More Capacity ♦ More Selections ♦ More Features

- 50 facings provide:
 - more product selections
 - increased capacity
 - 11% reduction in fill rates/yr
 - even 2% space to sales
 - straight on package viewing optimizes brand marketing
- 20% faster vend time than other glass front venders leads to more sales and accommodates the “lunch hour rush”
- Reduces service time per call by 50%, which means:
 - huge service savings - repair of any given service item does not exceed 15 minutes
 - one piece refrigeration system can be replaced in 10 minutes - from the front!
- Clear, easy to load product retainers allow efficient inventory stocking
- Utilizes a “positive drive” vending system- the most reliable vend mechanism available
